DANCE AND SNACK BAR OPENING

On Saturday, January 28, the LLAC will hold a regular "no frills" dance. This dance will have a special purpose since it will coincide with the official opening of the new LLAC Snack Bar.

Admission to the dance will be \$2 for members and \$3 for non-members. Food and refreshments will be available from the snack bar and its new manager, Chef Richard.

In its new incarnation, the snack bar is to be owned and operated by the LLAC and under the supervision of the LLAC Board of Directors.

Come to the dance, meet your friends, cruise, socialize, have fun, and make use of the club facility.

CHRISTMAS POTLUCK A SUCCESS

Club members who participated in the LLAC Christmas Potluck dinner can take a well deserved bow. The dinner and following meeting were a large success and were enjoyed by all those in attendance.

It appears that Ray S. has contributed an LLAC tradition for all of us to enjoy.

SMOKER'S ANONYMOUS

Smoker's Anonymous meetings continue to be held at the LLAC every evening at 7pm, except Wednesday.

The Smoker's Anonymous program is available as a support system for those persons interested in quitting smoking by using the twelve steps.

For information call John C. at 282-6002.

LLAC RELIEF MANAGER SEARCH

The LLAC Board of Directors has announced its intention of finding a volunteer relief manager for the club facility.

The board hopes to find a person who can relieve Alan as manager for two half-days per week. This should be on a regular basis.

If you are interested, call Alan at the club.

SWEETHEART DANCE

On February 18th the club will hold its first annual "Sweetheart Dance" in honor of Valentine's Day.

The club will be decorated for the occasion and tasteful, red leather ensembles will fit in nicely with the decor.

The Sweetheart Dance begins immediately following the Two-Bit Speakers Meeting.

STEPPING STONE'S 7TH ANNIVERSARY PARTY

NOTES FROM THE NEW YEARS DANCE

The LLAC New Year's Eve Dance was a huge success and raised nearly \$1,000 of badly needed money. It didn't happen in a vacuum and a number of people need to be thanked for their participation in the success:

°All the delicious food at the dance was donated by Eve Vargas, a businesswoman in the community. Her thoughtfulness was important in the success of the dance.

°Mary D. as M.C. made a major contribution to enjoyment of the evening.

°Several residents of Stepping Stone make major contributions of time, effort, and spirit in decorating the room and serving at the dance. Special thanks to Charlie, Maria, Christopher, Julie, Chris, and Marsha.

°The TV set was won by Jim. He turned around and donated it back to the club, so a special thanks to Jim.
